## Yearling, Coloured Colt Quantock Pony For Sale with Livery Available

Bandit is a good natured Quantock pony who is very good to handle. Easy to catch and lead, to groom, and good with the farrier. He also loads and travels well. Bandit is well socialised as has always lived with other horses of all ages.

Born 03/03/2010, Bandit will make 14"2hh/14"3hh minimum

Bandit is a lovely person, good with both children and dogs, and will make a good all-rounder family pony. He has a lot of presence about him and loves to play.

Bandit needs an experienced home to bring him on and to fulfil his potential. Has recently arrived at Pippsway and is settling in really well so ideally his new owner would be happy to keep him here.
