

Pipp's Way *of Natural Horsemanship*

**Yearling, Chestnut Gelding, bred by Whitehawk Stud  
For Sale with Livery Available**

Whitehawk Copper Sire: Toby of Whitehawk, Dam: White Hawk Tia

Born 20/05/2010, should make 15+hh and will be a good competition horse.

Good natured with slightly more attitude than half brother Beauty (pictured) who is also for sale.

Good to handle. Easy to catch and lead, to groom and good with farrier. Also loads and travels well. Good with children and dogs, he is very friendly and social with other horses and humans. Needs an experienced home to bring him on and to fulfil his potential. Has recently arrived at Pippsway and is settling in really well so ideally his new owner would be happy to keep him here.

Price is on application, please contact Philippa Unwin at Pippsway on **07854 940682** or email [philippa@pippsway.co.uk](mailto:philippa@pippsway.co.uk) for further information.
